SUBJECT : Miscellaneous Items

1. [REDACTED] was rescheduled to brief you and the Staff on Thursday, 9 February, at 1500. Perhaps you might like to see him for five or ten minutes prior to the Staff meeting. Incidentally, we have a movie on [REDACTED] which we will show in conjunction with [REDACTED] talk on the [REDACTED] intelligence community and operation within the government structure.

2. Re the Soviet Space Treaty and a reply to [REDACTED] I understand that you have discussed this with Dave Brandwein. When I contacted Dave I indicated that [REDACTED] had no great urgency for a deadline but was hoping for a reply within a reasonable period of time so that he could get back to Gehrig of the Senate Committee Staff.
